

**Notice Regarding Electronic Filer Agreement with Verus Claims Services and the Combustion Engineering 524(g) Asbestos PI Trust**

Verus Claims Services and the Combustion Engineering 524(g) Asbestos PI Trust have updated the Electronic Filer Agreement for filing claims with the Trust using the Verus online, electronic system. The updated Electronic Filer Agreement is attached to this notice and published on the Trust's website at [www.CETrust.org](http://www.CETrust.org).

The agreement updates provisions regarding the protection of the confidentiality of claimants' information submitted to the Trust, the recognition and protection of proprietary information of Verus and of the Trust, and aspects of the mechanics of the electronic system.

The Trust requires that each law firm that files or intends to file claims with the Trust by electronic means execute the revised agreement. Absent receipt by the Trust of an executed revised Electronic Filer Agreement by **July 30, 2010**, access to the Verus electronic system for Combustion Engineering claims will be suspended until Verus receives an executed revised Electronic Filer Agreement from the firm.
